Pleasantly surprised

By michael jones

Ordered a lot of Fiverr Books gave non of them a review.

I was surprised by this extremely simple FREE book

All it has are one and two sentence(s) ideas.

But I was struggling with ideas to build out my fiverr page in my category.

This really helped me a lot.

I did have some trouble at first however did find that landscape view easily fixed this problem. It made it much easier to read as I am not sure what the issue was. All in all, I enjoyed what I have seen so far. Very creative list of ideas, and a VERY beneficial list of tips at the end which I will put into use immediately! Thanks for the free gig included!! I'll definitely share this with my friends.
