Delightfully sexy

By LuciaCalwen

Basic Needs is delightfully sexy one-shot novella. I really enjoyed reading it.

If you are looking for something super-short and extra-hot, this novella is the right choice. Basic Needs is about quick and steamy romance between professor Dr. Cameron and his student Kaitlin that may or may not turn into something more...

Quick, dirty and well written

By Erica Smith A One-Click Addict's Book Blog

Quick, dirty, well written read.

We've all read something somewhere about the student and the teacher and some aren't that great, this one kicks the others asses.

Student oops accidentally turns in her very graphic diary instead of her essay which happens to include the good teacher's name and lots of detail.

I can't really give anything away, I mean it's a short read and you know what's going to happen. This is an extremely hot read and not one of those choppy erotic stories, this ones well written and enjoyable to read.

Hot, Quick and dirty!

By K. Horsman

Basic Needs will erupt with all your inner sex taboo thoughts all over it's pages. What isn't sexy about a handsome and nerdy professor accidentally getting his student's personal diaries filled with all the hot fun she wants to have with him?!?! This novella was packed full of sexy and enticing fun and I couldn't stop reading this quick book the second I picked it up. Dr. Cameron is that older but definitely handsome man who normally wouldn't give in to such carnal desires and Kaitlin is the seemingly innocent college student with a crush on teacher. When they collide in his office....it will leave you breathless!
