Another sexy Cowboy from Susan Fisher Davis

By Nanee

I love the bad boys of Dry River, they keep getting better and better in every book. Cooper is a sexy as sin reformed bad boy who doesn't want to settle down but he can't stop thinking about Kendra who he hurt when they were younger. I love when Cooper realizes how grown up and beautiful Kendra is and how screwed he is when he wants more than a few nights together. I love his character from the start, he's hard working, fun and sexy but also a badass and loving all in one. Kendra is sweet and caring and totally still in love with Cooper no matter how hurt she was when they were kids and he turned her down, I love how much she wants it to work with him but also knows she wants more out of life than sex.

These two characters are great together, they are fun and sexy as hell. I love how all the bad boys make a appearance and can't wait for their stories. Susan kicks ass in writing sexy as hell scenes and creating these badass guys who are big softies at heart. Another amazing story by Susan, I can't wait for more. Loved this one! 5 stars

Cooper is a bad boy and he will never settle down

By gpearson

Cooper is a bad boy and he will never settle down. Kendra has been in love with him since she was 15. After he broke her heart, later she ends up in a loveless and cruel marriage. She gets away from him and divorces

him and moves home. Her car has a flat and Cooper offers to change the tire for her. He tries to kiss her and she shows him how she feels about that. Later, he sees her and offers her a ride on his motorcycle which she finally takes him up on. While out shopping she runs into a man who gives her the creeps. She sees him again later at the bar. Cooper convinces Kendra to go on a date and she tells him about the guy. What is her ex up too? Can Cooper realize after he loses her that he loves her?

Hot Cowboy!

By Stacy Jordet

If you like stories about cowboys and feisty women, this book is for you.

Kendra has been in love with Cooper since she was a teenager, he knew this and shut her down. Now as adults, she is still angry at him and can't seem to let it go. He realizes he likes her sharp wit and begins to pursue her. She doesn't make it easy for him. I love second chance stories where once the individuals get involved there isn't any more miscommunication, they say what they mean. I especially love when Cooper tries to embarrass her with his naughty talk!
