From the Inside Flap

A prince in search of a princess, a domineering baroness and her two daughters, and an orphaned servant girl who sleeps in the ashes by the fireplace....

By the time Danielle is eight years old, her mother and father have died and she has been left in the care of her new stepmother, the Baroness Rodmilla of Ghent. Twelve years later, the baroness and her two daughters have made Danielle their servant, giving her the nickname Cindersoot and ordering her every day to chop firewood, tend the grounds, and clean the manor house.

When Prince Henry of France begins a search for a wife, the baroness intends to make sure her beautiful daughter Marguerite becomes his bride. But when Danielle and the prince meet by chance one day, sparks fly. The baroness will do everything within her power to keep her servant from becoming the Queen of France.

Based on the classic story of Cinderella by Charles Perrault, *Ever After* is a historical romance that is certain to charm and delight modern readers.

Buy the video...skip the book!

By A Customer

After being completely enthralled by the movie, I felt compelled to buy the book and see if the magic would continue. Jeez...I could hardly recognize the drippy, sweet, and lightweight depictions of Danielle and Henry in the book as the same luminous, strong, intelligent characters that I fell in love with in the movie. For example, when Danielle beans the prince with an apple and she sees his face for the first time, her reaction is "how beautiful" he was--gimme a break! OK, so we get a few more details of why, how, and where things happened to fill in the blanks of the movie but honestly, it's hard to believe how the author could turn the wonderful storyline and characterizations so magically rendered by the movie into such one dimensional drivel. By the way, I love romantic novels and have bought my share but cannot recommend this one at all.

Good movie

By Jolene koehler

I love the movie. I watch it all the time. Came on time. Thank you!

A Cinderella Story Without Magic.

By D. C. Wornock

The book does follows the movie; however, there are some variations... I can recommend the book for anyone age ten or over. However, it is so short that it would belonge in the children's section of a library. The book is probably ideal for ages 11 through 14.

The story is what makes the book good. However, for the mid to upper teens and adults, the book should be at least three times as long. It is way too short to satisfy your craving for detail.
