Realize a limitless vision and create the life you've always wanted!

Experience true bliss and abundant happiness!

Each of us has two "aspects" within us. One is the ego; the other is the higher or spiritual self. The ego, which protects and enhances our physical self, is too often the dominant power. It drives our career ambitions and many of our goals while confining us to a life of striving. Any thoughts or beliefs that interfere with our functioning on a spiritually satisfying level can be traced to the ego and its relentless demands.

Freedom is the ability to exit the single room of awareness you were born into and enter the limitless space of heightened awareness. Developing this awareness is the only way to awaken the dormant spirit - the higher self - and experience true bliss and abundant happiness.

In Freedom Through Higher Awareness, Dr. Wayne Dyer provides you with a practical path to the higher self, showing you how to leave the constraints of daily awareness and realize a limitless vision.

Wayne teaches you how to discard old beliefs and opinions that clutter your mind and make space for a vibrant new energy - one that's genuinely enlightened, fully functioning, and anxiety-free!

Freedom Through Higher Awareness will also help you:

- Remove everyday annoyances, worry, and irritations from your life.
- Feel more in tune with life's events and calm in the face of storms.
- Experience the joys of a still mind.
- Be more productive and have greater energy.
- Become less judgmental and more forgiving.
- Manifest your dreams in reality and discover your driving desire.
- Experience bliss in your everyday life and contribute to the bliss of the world.

When you experience higher awareness and discover your true identity, you'll not only be able to "see" the life you've been longing for, you'll be able to create it!

Controlling your Ego

By MR JOHN PUGH

I really have become a fan of Wayne Dyer and this is one of the best studies yet. Teaching over several years Wayne ties them all together to give a understanding of the Ego versus your true spirit. I know I will be listening to this several more times to grow my spirit life.

Life Changing

By smithslove

My therapist recommended this. She said this was one of the first spirituality tapes that she had ever purchased and it changed everything for her. It is unfortunate that this is not on CD so that I can take in my car. Also, it could really help a lot of people even these days. But, I listen to it a few minutes a day with my old boombox when I am making breakfast and packing my lunch.

I love his practical examples to change your life on a daily basis. I practice these daily. There are some parts on the tapes at the end which is difficult for me to understand, but getting the main jist is definitely enough. I am part of the hayhouse website which has other spiritual gurus, but I cannot get into them. Dr. Wayne really is someone that speaks to the heart. This is way worth the \$3 you can get it for.
