JOHN WOO: SEVEN BROTHERS, ISSUE 1 BY GARTH ENNIS PDF

Created by acclaimed filmmaker John Woo, (Mission Impossible 2; Face-Off; Red Cliff)

The first graphic novel from superstar action film director John Woo. Six hundred years ago, a mighty treasure fleet set out to sail the oceans of the world. They reached every continent, and discovered every land long before history's great explorers stole credit for their feats. Now, in modern day Los Angeles, seven men with nothing in common but their destinies are drawn together in the service of a mysterious young woman. An ancient prophecy must be fulfilled. Something terrible is reaching out across the centuries. There's a world to be saved, and the only hope for us all is a power too terrifying to be used.

Disappointing first issue

By Greg, Tina & Family

OK story & artwork, wanted to read this to see what John Woo could do with a comic series. The story and art are both just OK and we were glad to get to read it for free.

This is the first story we read from John Woo, hopefully if he keeps doing comics & graphic novel the story telling will improve. Thought with the help of Garth Ennis helping with the story, that it would have been better. The artwork was also just OK & lacked to add anything to the story.

The artwork of this comic issue looked good on our Kindle, the colors were bright and the art looked sharp. Some of the text could always be a little bigger, but you can zoom in to fix that if you need.

Pros:

Lacking story line

Decent artwork

Free, complete issue

& Looked nice on our Kindle

Cons:

Parts of the text could be larger

Overall, we were glad to read this for free, will probably not look for another issue; and would not recommend it most comic book or graphic novel readers.

Thank you for you time & interest in our review; Greg, Tina & Family

East Meets West and I am anxious.

By E.S. R.

Stumbled on this while digging in the freebie comic book day giveaways. A big tease thus far but I have no doubt this work has great potential .

Not bad

By Miguel A. Fernandez

I would keep reading it. It has a good measure of intrigue. And has peaked my curiosity enough to buy a second comic.
