LULU: MY GLAMOROUS LIFE (A BRANCHES BOOK: LOTUS LANE #3) BY KYLA MAY PDF

The Lotus Lane Girls Club is the most fun club EVER!

This series is part of Scholastic's early chapter book line called Branches, which is aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow!

This third book in the series is written as Lulu's diary, with fun illustrations and doodles throughout. Lulu loves all things sparkly, adores her BFFs, and is a huge fan of her favorite actress, Penelope Glitter. Lulu enters a look-alike contest in the hopes of being able to attend Penelope Glitter's new movie premiere. Here are some items on her to-do list:

Pack costume and makeup

Freak out

Calm Down

Make it to the next round?!

I wish the illustrations were in color but its still a good book!

By iheartteecee

I bought this for my 8 year old daughter. She loves it. I wish the illustrations were in color but its still a good book!

There are illustrations throughout the book. Which will keep your child's interest in the book.

There are several of these books in this series.

I purchased my daughter three of them. Can't wait to find more!

Definitely a must have to help spark you little girl's interest in reading!

"This product was a personal purchase for myself at the normal retail/list price. I am reviewing it solely because I want to share my experience with other potential customers. I have received no compensation for my review nor do I have any relationship with the seller or manufacturer of this product."

Great transition from picture books to chapter books

By ChristinaS

This book is great, as is the whole series (4 books). My 1st grader was at a higher reading level, but not ready for books with no pictures. The book is written as a girl's diary, which breaks up the reading into smaller, more manageable segments. It's a great bridge between picture books and chapter books. All the Branches books accomplish this, and have a number of different series with different characters to appeal to a variety of students.

Another Great Addition

By Shereese Briggs

My daughter loves this series and she was just as excited about getting her hands on this book as she was for the other two and as she is about the next one. These girls are so relatable. Ms. May does an awesome writing to connect with the target audience. The writing, illustration and explanation for the lingo are all very much appreciated and totally on point.
