NOAH'S ALPHAS BY D.J. HEART PDF

Noah thinks that his relationship with Grant is going well. He's happy, safe and well cared for, and he doesn't regret giving up his hard earned freedom to become the impressive alpha's omega even for a second. When Grant suggests they add a third to their relationship, however - a handsome young alpha that work's for Grant's company - Noah worries that his wealthy and sophisticated alpha has grown tired of him and prepares for the worst...

Longer than DJ Heart's usual. Very hot:)

By WashingtonMom

I like the sort of twisted, dubcon-ish relationships DJ heart writes. This was the longest book I have read by Heart, and it had more of a story than is usual. It features Grant and his omega Noah, who are married, and Derek, an alpha they are bringing into their relationship. Grant is not very sensitive or thoughtful, and a little bit of a bully. Derek, on the other hand, is very nice. Noah is the typical sweet omega who doesn't know how pretty he is.

So I thought Grant didn't redeem himself enough, but the sex was hot and I really liked Derek and Noah. Almost gave it four stars, but in the end I enjoyed it.

Equal parts good and bad

By Lora905

OK, so even from the very first page, there was so much that was just wrong with this story. Alpha Grant Hunter is at a party with his omega husband, Noah. Grant is one side of the room watching Noah swaying & gripping the bar for balance because "he'd obviously exceeded his 2 drink allowance" (Problem #1). While standing by the bar, "he smiled up at the alpha who obviously didn't know he was taken" (Problem #2). "If he'd just wear a collar like a normal omega..." (a disobedient omega, Problem #3). All of this was just on the first page! And then to know that the whole ballroom had gone silent because they saw what was going on, which means that Grant has been publicly embarrassed by his omega (Problem #4). After they get home, the story mentions how Noah would often push boundaries just to see how angry Grant would get or how bad the punishments would be. Am I reading this wrong, or is this an exceedingly childish man who's clearly not ready to be in any type of committed relationship, let alone marriage? 2 weeks after the party, Grant's sister asked if he'd be filing for divorce.

The way the author writes the characters is what's the problem. Noah is annoyingly immature, and I think part of that immaturity is never speaking up about being too sore or tired for sex. He hardly ever speaks up for himself, even though Grant has proven that he's not going to punish him harshly. Grant thinks Noah's too good for him (that couldn't be more wrong), and vice-versa. Grant thought it would be a good idea to bring a younger alpha into the relationship, assumingly as a benefit to Noah, but it made no sense to me. There was not really a good reason, and the relationship between Grant & Noah was on thin ice as it was. Grant was a hothead who tended to fly off the handle first and ask questions later, but I think a lot of it was him being so strongly influenced by his family's thoughts and wishes. Derek was just a good guy mediator-type who was dragged into the middle of this mess. Even though it never went through, I was glad that Noah went and got those divorce papers. It was the catalyst needed to force Grant to set things right. The story isn't badly written, I just think that we (the readers) were brought into this just as the s**t was about to hit the proverbial fan.

Other problems: 1) Editing was terrible. Typos/misspellings, punctuation, capitalization. If I saw the word "chose" in place of "choose" 1 more time I was gonna scream. Plus in the beginning it said Grant was 6 ft tall. Later it said Derek was 6 ft 3 inches but still shorter than Grant. 2) Noah had petitioned the courts to become independent. Why? Also, in every other shifter story I've ever read, a lone wolf would not be permitted, and would be killed immediately with no forethought. 3) For such a supposedly intimidating alpha, why was Grant so freaking manhandled by his mother and sister? And I think the attorney lied, I think that prenup was put together by his mother & sister. 4) The thing with knotting Noah's throat, and then massaging his neck, causing him to choke and gag? Yeah, that's kinda not sexy. Not into asphyxiation, sorry.

Really good read

By Gelica

Noah struggles with trying to figure out how long he has before his Alpha tosses him aside. While grant brings in another alpha into there relationship because he fears he is to old for Noah. This book was a good read and I really liked how much Derek was there for Noah and showed him how much he loved him
