Merely web page by web page depending upon the time that you have to read [Origins Of The Magdalene Laundries: An Analytical History By Rebecca Lea Mccarthy](#)

ORIGINS OF THE MAGDALENE LAUNDRIES: AN ANALYTICAL HISTORY BY REBECCA LEA MCCARTHY PDF

The convents, asylums, and laundries that once comprised the Magdalene institutions are the subject of this work. Though originally half-way homes for prostitutes in the Middle Ages, these homes often became forced-labor institutions, particularly in Ireland. Examining the laundries within the context of a growing world capitalist economy, the work argues that the process of colonization, and of defining a national image, determined the nature and longevity of the Magdalene Laundries. This process developed differently in Ireland, where the last laundry closed in 1996. The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization: from an affluent, strong supporter of Jesus to a simple, fallen woman.

Worldwide Tragedy in the Name of Helping People

By Susan D. Patrick

The creation of an institution to help women that turned into virtual slave labor and mental abuse and spread worldwide is an amazing story. Rebecca has captured all the elements that allowed this to happen.
