A collection of the author's articles as published in "The Linguist", this book deals with translation on many levels: its uses in advertising, labelling, public notices; its roles in introducing foreign art, literature and music; its values in economic and technical texts; its effectiveness as a critical weapon in showing up the meretricious and the fraudulent; and principally, its various techniques and procedures at every segment of a text from the comma to the paragraph. The author's other publications include "A Textbook of Translation", and "About Translation", among other papers and articles.
