## Review

"The book covers a wide variety of psychiatric topics in a way that the authors report closely mimics the material on the psychiatry board exam. The subject areas are wide ranging, and the subject index helps readers locate questions in the same category. The best feature of the book is the detailed, comprehensive, exhaustive, up-to-date explanations. The innovative method the book employs to deliver the information is the online version that includes a realistic simulated exam. This is a useful, high-quality review book."- Valerie Mathis-Allen, MD (Pine Rest Christian Mental Health Services) Doody Review Services

Updated to reflect all of the latest research in psychology and neurology, Psychiatry Test Preparation and Review Manual, 2nd Edition precisely mirrors the written ABPN board exam so you can expertly prepare and achieve your highest score. This psychiatry Q book now features over one thousand questions including an online component with all MCQs from the text, ensuring you know exactly what to expect when exam day arrives.

- Enhance your preparation with recommended readings from key textbooks in the field.
- Understand why your answers are correct or incorrect through detailed explanations of each possible response.
- Study as effectively as possible with 300 brand-new questions that match the current exam format, as well as 160 clinical vignette questions that are stylistically based on those appearing on the ABPN board exam and other standardized tests.
- Experience a realistic exam simulation online at [www.expertconsult.com](http://www.expertconsult.com), where you can take timed assessment tests as well as untimed practice tests, target specific areas of weakness, exclude topics not included on the MOC exam (such as child psychiatry and neurology), and more!

Psychiatry board review

By TeachingD

Used this book quite a bit for review, I did like it and I think it's a good thing to include in your review ahead of the exam. The questions and explanations are short and to the point, good for quick review.

From talking with friends who passed, it seems like the go-to products for psychiatry board review are:

1) This book

2) The Mass General Review books

[http://www.amazon.com/Massachusetts-General-Hospital-Psychiatry-Preparation/dp/0985531800/ref=sr\\_1\\_5?ie=UTF8&qid=1391183904&sr=8-5&keywords=psychiatry+review](http://www.amazon.com/Massachusetts-General-Hospital-Psychiatry-Preparation/dp/0985531800/ref=sr_1_5?ie=UTF8&qid=1391183904&sr=8-5&keywords=psychiatry+review)

3) Boardvitals online question bank, and they are apparently coming out with a video and vignette online bank as well

4) Kaplan and Sadock

[http://www.amazon.com/Sadocks-Self-Examination-Psychiatry-SYNOPSIS-PSYCHIATRY/dp/1451100000/ref=sr\\_1\\_2?ie=UTF8&qid=1391183883&sr=8-2&keywords=psychiatry+review](http://www.amazon.com/Sadocks-Self-Examination-Psychiatry-SYNOPSIS-PSYCHIATRY/dp/1451100000/ref=sr_1_2?ie=UTF8&qid=1391183883&sr=8-2&keywords=psychiatry+review)

Online format works well ....

By Wayne S. Moss

The online version of book allows you to answer questions and get instant feedback without having to waste time flipping through pages to find the right answer. This saves lots of time and allows more progress in each study session. Also, the questions themselves seem right on target with PRITE questions so that this book should be quite helpful with the boards themselves.

9 of 9 people found the following review helpful.

Excellent for board prep!

By Bryan

This book, in my opinion, is a must have for psychiatry board preparation! The questions are very board-like and it also comes with a CD to practice the new vignette style questions. I passed my boards with no issues the first try and now 'm passing this on to a colleague who will be taking boards next year before the change to DSM 5.
