Enjoyable and Informative, Want More

By FullMind

While looking for books on particular rock stars I stumbled on this one and bought it. It was very enjoyable and informative. I liked the easy style in which it's written, as well as the photos. Only reason I didn't give it 5 stars is because it could have had more... e.g., Mick Jagger and "Pick one"; Paul McCartney and Linda Eastman; and others which I don't recall off the top of my head. Hopefully the author is working on the sequel.
