In a small North Korean village, a young girl struggles to survive. It is her father's faith, not the famine of North Hamyong Province, that most threatens Chung-Cha's well-being.

"The Beloved Daughter" follows Chung-Cha into one of the most notorious prison camps the contemporary free world has known. Her crime? Being the daughter of a Christian.

"The Beloved Daughter" is Alana Terry's debut Christian novel and has won awards from Readers' Favorite, Grace Awards, Women of Faith, The Book Club Network, and others.

Fiction? Really?

By Gracie

From time to time, I come across a work of fiction that is so obviously written by someone who has experience with the subject matter as to make it come alive. The Beloved Daughter is one such book.

Most of what I know of the conditions in North Korea in general, and for believers specifically, is in small bits and pieces from various missionary organizations. I've never doubted what they described, though it's hard to grasp how inhumane humans can be to one another when you only read a paragraph here and there. Likewise with how irrational people can be simply because of the name of Jesus.

Alana Terry has written a masterpiece that puts life in perspective in North Korea. That takes me out of the safety of my US life and transports me into the prisons where my brothers and sisters in Christ survive, somehow - or not. It also puts "free" life for Christians in North Korea in perspective. The constant observation of surroundings and suspicious people, the need for places to hide even in the home, to distrust even those people closest to you.

Because of Alana Terry's book, *The Beloved Daughter*, I will no longer be so blase when I hear of prisoners in NK, or of torture of one of my brothers or sisters there. I've "seen" the conditions in those prisons. I don't know how they survive at all. Prayer will be more than a simple "Bless them" from this time on. Thank you, Alana, for painting this picture for me and for all who will read and let it affect them so profoundly.

Beautiful and Tragic

By P. Creeden

This book really hits home for me. Because I'm half Korean, (My mother was born near Seoul) I had a certain level of intimacy with the characters, so that even the names sounded familiar to me. And this made me especially sensitive to the abuse and torture of the characters and their horrid situations.

Abuse of Christians in North Korea is a current situation, not something off in the distant past. It's reality today. The author does a phenomenal job of making their plight a reality for readers who are completely clueless to the struggle of the underground church.

HIGHLY RECOMMENDED - but have tissues handy.

Not of faith? Read it anyway. You won't regret it.

By NGriewahn

I received my copy of "*The Beloved Daughter*" yesterday and... read the entire thing yesterday. I really enjoyed the story line as well as how the different characters were connected. It is easy to forget this story is set in modern days and not centuries ago with all the horrific things that happened to the characters (if you haven't read this story - I promise it isn't all bad - there are great messages of love and perseverance). It certainly opens one's eyes to what goes on in our world. Thank you for giving me the opportunity to learn about it. I did not find the character's names confusing because most characters are only in the novel for a short time and each in a unique situation (all revolving around one main character). Although not a long book, it covers so much. Religious persecution is very much alive today and this book reminds us of how it happens behind closed doors. A must read (with a box of tissues). Even if you are not a person of faith, this book will still speak to you about love and compassion.
