Just what we needed

By Joanne

My daughter decided, after performing in The Little Mermaid, Jr. in our local theater, to sing the full Broadway production version of a couple of the songs. This book gave her the sheet music with all the original lyrics she needed to learn. Nice big book, well bound, is now dog-eared but intact. Served its purpose!

Amazing songbook

By Chaela

Amazing songbook, it comes with beautiful photos from the show when it was on Broadway

It has almost every song, I am a little disappointed that it doesn't have the Part of Your World Reprise, but that's okay

It got here early and I'm very happy

I can't wait to learn all this music

The Kobayashi Review

By Veronica Owen

I really love it. It has all of my favorite songs from the musical, and more. But I was a little disappointed that they didn't have the reprise for Poor Unfortunate Souls.
