Life will certainly be completed if you understand more things with reading books.

THE LOST KEYS OF FREEMASONRY BY MANLY P. HALL

PDF

Freemasonry, though not a religion, is essentially religious. Most of its legends and allegories are of a sacred nature; much of it is woven into the structure of Christianity. We have learned to consider our own religion as the only inspired one, and this probably accounts for much of the misunderstanding in the world today concerning the place occupied by Freemasonry in the spiritual ethics of our race. A religion is a divinely inspired code of morals. A religious person is one inspired to nobler living by this code. He is identified by the code which is his source of illumination. Thus we may say that a Christian is one who receives his spiritual ideals of right and wrong from the message of the Christ, while a Buddhist is one who molds his life into the archetype of morality given by the great Gautama, or one of the other Buddhas. All doctrines which seek to unfold and preserve that invisible spark in man named Spirit, are said to be spiritual. Those which ignore this invisible element and concentrate entirely upon the visible are said to be material. There is in religion a wonderful point of balance, where the materialist and spiritist meet on the plane of logic and reason.

masonic overview

By hiramabi

Although this book is almost 90 years old it is vastly superior to masonic overview books printed in the last 20 years. It is a wealth of information to the casual reader, mason or student of esoteric wisdom. Hall was a mason after the book was written, had it been otherwise he would not have revealed so much.

This Book Reveals Ancient Mysteries

By Patricia Gentry

Have you ever noticed the strange symbols on the back of the US dollar bill? Have you wondered about the origins of those symbols and how our Founding Fathers ever came up with them? You are looking at symbols related to the ancient Fraternity of Freemasonry. Many of the Founders of our Constitution were members of that mysterious order. If you have ever wondered about that secret society, now is your chance to find out. The three works published together for the first time in this volume will push aside the veil of the inner temple and lead you into its mysteries.

Freemasonry is a spiritual philosophy with its roots in antiquity. These roots are rumored to extend back to the Ancient Egyptians who were the builders of the pyramids and the sacred temples at Thebes and Luxor. It is about the spiritual journey of the soul and the effort to defeat the negative influences that seek to overcome it and release the magnificence of the soul's true splendor. The philosophy is about the spiritual journey and, yet, is attached to no specific religion. Masonic Orders have been comprised of members of all faiths.

As you step into this book, you become the Initiate who is led through many trials to attain the various levels of self-knowledge and ultimately, enlightenment and the true knowledge of his own Divine nature. The journey is fraught with perils both of the Master's devising and those of the Initiate's own shortcomings.

Once you read this book, you will see the world differently. Hidden symbols that you barely noticed before will leap out at you alive with meaning. This book will reveal a world of mystery surrounding you that you never saw before.

Manly P. Hall

By Jacob M. Conner

Manly P. Hall is an amazing author. He is a 33 degree Freemason and he takes you through the basis of the 3 degrees and in depth of the philosophy of Egypt. I recommend this book to anyone who is interested in philosophy and Egypt.
