THE PACKING BOOK: SECRETS OF THE CARRY-ON TRAVELER BY JUDITH GILFORD PDF

Fully updated for the 21st-century traveler, this definitive packing guide will empower overpackers to throw down their brick-like suitcases and become carry-on pros. The Packing Book reveals the secrets of packing efficiently, with time-saving tips, techniques, and technologies. Packing consultant Judith Gilford describes her famed Bundle Method step by step, so that every carry-on hopeful can achieve wrinkle-free, space-saving perfection. This edition also addresses new carry-on security concerns and guidelines, including what you can and cannot take on the plane. Complete with packing checklists for every kind of journey, The Packing Book will prepare you for beach vacations, business trips, European excursions, and more-without leaving you weighed down, wrinkled, and weary.

Concise, easy-to-read guide to packing light

By Casey Stewart

Although I've been traveling and packing for years, Judith Gilford's guide gave me several new ideas for packing light. I recognized myself in the traveller who thinks he must take one of everything...as if stranded on a desert island.

There are lists for traveling with children and teens as well as sections on traveling to various terrain and climates. Lists are provided to assist you in packing thoroughly, but wisely. A handy guide helps with the invariable stains you'll obtain while noshing, trekking and exploring.

There is a section with faq the writer has received in her packing seminars as well as tips from readers/customers such as wearing-rather than lugging-your heaviest outfit, coat or sweater and shoes. A reference chapter gives ideas on wrinkle shrugging fabrics as well as a valuable resource guide for items mentioned in the book, and companies that provide luggage, clothing and accessories.

With Gilford's bundling system, it is possible to pack for a week's travel in a carry-on bag, with minimal wrinkling and no need to check luggage. I will incorporate many ideas given here into my not-so-shabby current travel savvy-I would recommend this book to the beginning and experienced traveler for the warm and sage advice.

Road Warrior learned a few tips!

By Chaleigh

I love this book! I travel every week and I always find the packing for the trip to be the worst! I absolutely dread it each week. This book helped change that!

The different checklists are great for getting organized AND making sure that you pack every thing you need for your trip.

The bundling system is so incredibly simple and easy... with no wrinkles once you arrive at your destination. The last part of this book is chock full of good reading on how to pack those bulky items such as shoes and winter sweaters and coats.

With all the security requirements with the airlines now (and tough limits on carry-ons), I really recommend this book... and I'm a road warrior that should've figured out how to pack by now!

Don't need travel iron anymore!!

By A Customer

After reading this book I found I could pack more "stuff" and arrive at my destination with wrinkle free clothing! The "bundle" method is a great idea. I recently bought this same book for my daughter-in-law and a friend's daughter who was traveling abroad.
