"Charlotte Malone, the owner of a successful bridal shop in Birmingham, Alabama, believes the "right" dress finds its bride, not the other way around. But Charlotte can't find a dress for her own upcoming wedding. When she discovers a beautiful hundred-year-old wedding gown in a battered trunk with a welded lock, she's compelled to uncover the mystery of the dress and the three women who wore it. Eleni Pappageorge's light, airy voice fits this lovely story of faith, mystery, and magic. Her Southern accents are convincing, and one can hear a smile in her tone. Although her portrayals of the story's elderly female characters are sometimes a bit "gushy," they simply add to the charm."

Four brides. One Dress.

A tale of faith, redemption, and timeless love.

Charlotte owns a chic Birmingham bridal boutique. Dressing brides for their big day is her gift . . . and her passion. But with her own wedding day approaching, why can't she find the perfect dress...or feel certain she should marry Tim?

Then Charlotte discovers a vintage dress in a battered trunk at an estate sale. It looks brand-new—shimmering with pearls and satin, hand-stitched and timeless in its design. But where did it come from? Who wore it? Who welded the lock shut and tucked the dog tags in that little sachet? Who left it in the basement for a ten-year-old girl? And what about the mysterious man in the purple vest who insists the dress had been “redeemed.”

Charlotte's search for the gown's history—and its new bride—begins as a distraction from her sputtering love life. But it takes on a life of its own as she comes to know the women who have worn the dress. Emily from 1912. Mary Grace from 1939. Hillary from 1968. Each with her own story of promise, pain, and destiny. And each with something unique to share. For woven within the threads of the beautiful hundred-year-old gown is the truth about Charlotte's heritage, the power of courage and faith, and the timeless beauty of finding true love.

“The story of four loveable women, miraculously bound by one gown, whose lives span a century . . . will take your breath away.” —Beth Webb Hart, bestselling author of *Love, Charleston*

A sweeping romance centered around a timeless wedding dress

By Katie Garvin

I was blown away by this beautiful, awe-inspiring tale of one dress that spans--and impacts--the lives of four special women. *The Wedding Dress* revolves around Charlotte Malone and her discovery of the dress within an old, beaten trunk...and the path down memory lane that it took her on.

While Charlotte was the main character this story revolved around, there were a lot of other central characters as well. And while one might think that this would get confusing, Rachel Hauck did an outstanding job in making each person unique and stand out to the reader. I just loved the funny quirks some of them had! Especially the "Man in Purple" character. Put me in mind of all those sayings about 'angels in our midst'. I can't say who my favorite character was, or who I bonded with the most--the entire cast was so memorable!

I've never read anything by Hauck before, so wasn't sure what to expect from the author when beginning *The Wedding Dress*. But she won me over almost instantly! The way she transports her readers between historical and contemporary times was really neat, unique, and well done.

The writing style was sharp and vivid, grabbing my attention from the first page. There were several passionate kisses between characters, but Hauck keeps the details down, making *The Wedding Dress* a book to be recommended for both older and younger readers--anyone who is a true romantic at heart will be heaving sighs and wiping tears by the end. I highly recommend!

I reviewed this book for Thomas Nelson via Litfuse. It was not required that I give a positive review, but solely to express my own thoughts and opinions of this book, which I have done.

*The Wedding Dress* (Review)

By K. Hutson

A year ago, I crossed something off my bucket list.

I attended a writing workshop in Tulsa, Okla., led by Rachel Hauck.

It was a cool day, because I met a couple of neat writers, got some ideas (I'm really a non-fiction writer who

dreams of writing a novel) and met Hauck.

Basically, I got to sit at her feet (OK, it was at a table in a church's meeting room), and listen to her talk writing and how she got lots of her ideas.

She also talked about writing a book a book about a wedding dress that fits four women - kind of a "traveling pants" meets romance and bridal wear.

Kind of a cool concept. (Although, I'm still waiting for the vampire Amish tale the workshop participants kept joking about.)

Well, fast forward - a year later, I had the opportunity to review *The Wedding Dress* - the book Hauck talked about in the workshop.

A book about four women - who all fit inside the dress **WITHOUT** alteration.

Spanning multiple generations, Hauck crafts a tale that unites a group of women - three still living - showing their common interests, ties and faith. She also weaves in a hint of mystery and intrigue (and a really interesting character wearing purple!).

It's a fun book. In the beginning the dialogue jumps back and forth between Charlotte and the original owner. We see similarities to their struggles for love and acceptance. As it continues, we meet the other two owners and see how they are all linked together by the dress and more.

Like other books I've read written by Hauck, the novel's characters are enjoyable and the plot captures your attention.

On the scale of one to five, I give this book a four. Fun and humorous, *The Wedding Dress* would make a great "tuck in your bag" on a vacation or "rainy day" read.

Four Great Stories in One

By Jamie

It seems like I'm practically gushing about each of the books I reviewed lately and this is no exception. Rachel Hauck's newest book tells the story of a wedding dress that is almost magical, finding its own way to brides that need it. *The Wedding Dress* 'takes the stories of each of the four women who have worn this magical dress and weaves them together in to an intriguing novel. As the stories of the dress and its wearers evolved I found myself more engaged in the story with each turn of the page. Hauck blends historical fiction, modern fiction and a bit of suspense into a story told so beautifully I didn't want the book to end. It's one of those stories that you wish was really true, a story so compelling that you long to be a part of it.

This is the first book I've read by Rachel Hauck and if her others are anything like this one, I think I'll be adding more of her books to my library.
