You will discover delightful villages and remote hamlets, wander flower meadows and forests, skirt exquisite tarns that turn mountains on their heads, and clamber beside glaciers. The way intrudes on lonely stone-filled corries, with marmots along the boulders and ibex on the heights, and provides a surprise around every corner. The route crosses 11 passes, gains more than 12,000 metres in height and is a strong contender for the title of Most Beautiful Walk in Europe. This new edition has been thoroughly updated, and now includes the exciting two-day Europaweg - a true high-level path that carries the Haute Route way above the Mattertal and into Zermatt - a worthy conclusion to a great trek.
