Book arrived in excellent condition. my son has not found any flaws during his hours of reading it. I hope i can sell it back when he has finished the school year in June.

Not what I expected...

By Zaida I. Rosa

This book was rated as "Very good", however it was acceptable or good at best. The front cover was all written over with ink and it has a lot of writing, scribbling on the pages on the sides of the book (in pen and highlighter). It also has writing (not just highlighting) inside the book. I have bought many books in the past (very good or better ratings); this is the first time I get a "very good" rated book in such poor condition.
